The Chronicles of Avantia #3: Call to War By Adam Blade

Deadly Beast. Brutal combat. Welcome to Avantia.

Tanner, Gwen, and Castor are more determined to succeed on their quest to defeat Derthsin's evil army than ever before. In order to save Avantia they must retrieve four parts of an ancient mask, which grants power over all of the Beasts of the land.

After narrowly escaping a deadly battle with General Gor, the leader of Derthsin's dark forces, Tanner, Gwen, and Castor must regroup. How can they hope to stop Gor, when they are constantly fighting with each other? The General has secured the first and second pieces of the mask and is already searching for the third. The friends have their Beasts but will that be enough, especially when they come across a village turned mad with fear and a magical stranger with great powers?

About the Author

Adam Blade is in his late twenties, and was born in Kent, England. His parents were both history teachers and amateur artists, and Adam grew up surrounded by his father's paintings of historic English battles which left a lifelong mark on his imagination. He was also fascinated by the ancient sword and shield that hung in his father's office. Adam's father said they were a Blade family heirloom.

Sadly, Adam does not have his own Ice Dragon or Ghost Panther. But he really wishes he did!

"Woo!" Castor shouted, and Nera bounded beside Firepos. "Well done!"

But Gwen didn't join in with the congratulations; her face was clouded with unhappiness.

"What are you doing?" she asked, gazing into Tanner's face. "We cannot afford to help everyone we see. We're on our way to the Southern Caves, remember-for the mask? This type of thing is happening all over Avantia and we can't stop what we're doing every time we see a skirmish."

Castor hid his dagger back in his belt. "She has a point, Tanner," he said. "You know me, I love a good battle, but it's the mask we're after, and Derthsin."
