The Wedding By Julie Garwood

Only a master could top the stunning success of *For the Roses*, and Julie Garwood has proven once again why she "attracts readers like beautiful heroines attract dashing heroes" (*USA Today*) with this joyous *New York Times bestseller*. Returning to the enchanting world of her classic *The Bride*, she brings the soaring adventure, love and rivalry of medieval Scotland to glorious life in a delightful tale her fans will adore.

She couldn't know that her capture was merely the first act of vengeance against her betrothed, Connor's sworn enemy. Brenna harbored no illusions that her husband was in love with her; after a hasty forest wedding, MacAlister assured her she could return home once she had borne him a son. But she could not deny that she had once proposed to MacAlister -- ten years ago, when she was just a child, and the visitor to her father's castle charmed her with his dazzling, unexpected smile. Now, as she sets out to win the brave chieftain whom she has come to adore, a legacy of revenge ensnares Brenna in a furious clan war -- and only her faith in her gallant hero can save her...
