Understanding Criminology: Current Theoretical Debates (Crime and Justice) By Sandra Walklate, D. Walklate

This text offers a critical overview of the criminological enterprise since the late 1970s. The author is concerned to identify the continuities underpinning criminological theory and to situate these continuities within a contemporary criminological and political context. She offers the student an in-depth appreciation of criminological theorizing, paying particular attention to left realism, right realism and the influence of feminism. An exploration is also undertaken of the interface between the substantive concerns of criminological and social policy. Drawing on a critical understanding of current political concerns about crime, Walklate sets out a framework for the future development of criminological work informed by the notions of social justice, risk and trust.

Editorial Review

Review

"This is a stimulating attempt to set issues of crime and victimisation in a broader context of social policy and social justice." - New Law Journal "In the spirit of the Open University, this book offers an accessible, thought provoking and enjoyable introduction to new students of old problems." - BSANetwork

About the Author

Sandra Walklate is Eleanor Rathbone Chair of Sociology at the University of Liverpool. She previously held posts at Manchester Metropolitan University, Keele, Salford and Liverpool John Moores Universities. She is author of *Imagining the Victim of Crime* (2007) and an edited collection with Gabe Mythen entitled *Beyond the Risk Society: Critical Reflections on Risk and Human Security* (2006), both with Open University Press.

Users Review
