Editorial Review

Review

A masterpiece Telegraph 'Ballet Shoes is one of my all-time favourite children's books - and you don't have to be a ballet fan to enjoy it.' - Dame Jacqueline Wilson

From the Inside Flap

In the tradition of Frances Hodgson Burnett's "The Little Princess" come Noel Streatfeild's tales of triumph. In this story, three orphan girls vow to make a name for themselves and find their own special talents. With hard work, fame just may be in the stars! Originally published in 1937.

About the Author

Often drawing on the raw material of her experiences as stage actress, **Noel Streatfeild** wrote more than 80 books for children and adults, including the famous "Shoes" series. A rebellious child who was expelled from her first school, she developed a lifelong love of theater and the performing arts. Her first novel, *The Whitcharts*--about the theater--was published in 1931. Though several other novels for adults followed, an editor encouraged a reluctant Streatfeild to write a theater-themed story for children; the result was highly successful *Ballet Shoes*, about three young girls training for the stage. Look for *Theater Shoes* and *Dancing Shoes* on audio from Listening Library.

Users Review

From reader reviews:

Delores Moretti:

The book Ballet Shoes can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Ballet Shoes? Several of you have a different opinion about e-book. But one aim which book can give many facts for us. It is absolutely right. Right now, try to closer using your book. Knowledge or details that you take for that, you may give for each other; you can share all of these. Book Ballet Shoes has simple shape but the truth is know: it has great and big function for you. You can appear the enormous world by wide open and read a publication. So it is very wonderful.
