Birthing the Miraculous: The Power of Personal Encounters with God to Change Your Life and the World By Heidi Baker

God has promised us miracles. Are you willing to do what it takes to see them through?

We all desire the favor of God on our lives. We eagerly pray and hope for His miracles, promises, and blessings. But carrying the promises of God often means being stretched, being inconvenienced, and being patient to nourish those promises until it is God's time for them to be born.

In *Birthing the Miraculous* Heidi Baker weaves true stories from her life and ministry—including personal visitations and life-changing visions—together with the biblical story of Mary's pregnancy with Jesus to show you how to become a catalyst for God's glory here on earth.

Sometimes God's promises seem bizarre, implausible, and even crazy. But no matter how impossible His promises seem, we can respond as Mary did, with a yielded cry of "Yes!" It is time to go into every realm of society, carrying your promise, believing for the impossible, and watching God do the miraculous through you.
