Historia de la educacion en la antigüedad / History of Education in Antiquity (Universitaria) (Spanish Edition) By Henri-irénée Marrou

La historia que reconstruye Marrou abarca desde el año 1000 a. C. hasta el año 500 d. C. En ella se inscriben diversas modalidades educativas, como las presentadas por los judíos y cristianos, basadas en la escritura; la de los árabes, cuya tendencia es fundamentalmente militar, sin soslayar la riqueza expresiva de Egipto y Mesopotamia. En tres grandes apartados, Marrou define los orígenes de la educación clásica, de Homero a Isócrates, el panorama educativo en la época helenística y la contribución de Roma a la educación.
