**International Financial Management** By Cheol S. Eun, Bruce G. Resnick

"International Financial Management" combines the fundamental concepts of international finance with solid practical applications. This combination has made it the book of choice at a variety of institutions, including top business schools such as Wharton, Stanford, Northwestern, and INSEAD. Neither superficial nor overly theoretical, Eun and Resnick's approach offers a conceptually solid, treatment of international financial topics that puts students on the right track to becoming effective global financial managers.

### **Editorial Review**

#### **About the Author**

Cheol S. Eun (Ph.D., NYU, 1981) is a professor of finance and currently holds the Thomas R. Williams Chair in International Finance at Georgia Institute of Technology. Before joining Georgia Tech, he taught at Kent State University, University of Minnesota, and the University of Maryland, and at the Wharton School of the University of Pennsylvania. He has published extensively on international finance issues in such major journals as the Journal of Finance, JFQA, Journal of Banking and Finance, Journal of Portfolio Management, Management Science, and Oxford Economic Papers. Currently he is an associate editor of the Journal of Banking and Finance, Global Finance Journal, European Financial Management. Professor Eun has taught a variety of courses at the undergraduate, graduate, and executive levels and was the winner of the Krowe Teaching Excellence Award at the University of Maryland and has served as a consultant to many national and international organizations. Bruce G. Resnick (D.B.A. Indiana, 1979) is a professor of management at the Babcock Graduate School of Management of Wake Forest University. Prior to coming to the Babcock School, he taught at Indiana University for ten years, the University of Minnesota for five years, and California State University for two years. Professor Resnick has also taught as a visiting professor at Bond University, Gold Coast, Queensland, Australia, and at the Helsinki School of Economics and Business Administration. Like Professor Eun, he has had research articles published in the most prestigious academic journals, and he has served as a consultant to a number of nonprofit and for-profit organizations in the selection of investment managers for organizational funds

### **Users Review**

#### **From reader reviews:**

##### **Mary Molinari:**

Within other case, little folks like to read book International Financial Management. You can choose the best book if you appreciate reading a book. So long as we know about how is important any book International Financial Management. You can add understanding and of course you can around the world by a book. Absolutely right, simply because from book you can understand everything! From your country right up until foreign or abroad you will end up known. About simple thing until wonderful thing you could know that. In this era, we can easily open a book or maybe searching by internet product. It is called e-book. You may use it when you feel fed up to go to the library. Let's study.

##### **Kristy Abrahams:**

The book International Financial Management gives you the sense of being enjoy for your spare time. You need to use to make your capable far more increase. Book can being your best friend when you getting anxiety or having big problem using your subject. If you can make studying a book International Financial Management to get your habit, you can get considerably more advantages, like add your current capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like open up and read a reserve International Financial Management. Kinds of book are several. It means that, science book or encyclopedia or some others. So , how do you think about this reserve?

**Harriette Corwin:**

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love International Financial Management, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its known as reading friends.

**Phillip Chadwick:**

Do you like reading a book? Confuse to looking for your best book? Or your book was rare? Why so many concern for the book? But virtually any people feel that they enjoy for reading. Some people likes looking at, not only science book but novel and International Financial Management or others sources were given information for you. After you know how the good a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those publications are helping them to bring their knowledge. In some other case, beside science book, any other book likes International Financial Management to make your spare time considerably more colorful. Many types of book like this.
