Legalism Unmasked By Dirk Waren

"Legalism Unmasked" is about exposing legalism and all that goes with it. What is legalism? Legalism is counterfeit Christianity and legalists are religious hypocrites. They're focused on the outward forms of religiosity at the expense of inward reality. As the word 'legal-ism' implies, legalists are focused on rules above relationship with God. Consequently, their religious system is an elaborate system (tangled web) of rules and regulations. It's all about "the dos and don'ts." This spiritual disease puts people into religious bondage and therefore churches or sects that are infected by legalism end up hurting people rather than helping them because bondage is never fun. All legalism can produce is sourpuss authoritarians or dull, impotent automatons ("sheeple"). Jesus Christ, by contrast, came to set people FREE and give them "life to the full". "Legalism Unmasked" stresses the antidote to legalism -- a dynamic relationship with the LORD, as well as learning to put off the "old man" (the flesh) and put on the "new man" (the spirit). This involves a new way of thinking or, as the Bible puts it, being "transformed by the renewing of our mind." If believers do this, they'll be spirit-ruled rather than flesh-ruled and they'll produce the fruits of the spirit, which are the fruits of God's Character! "Legalism Unmasked" is the ultimate guide to legalism.
