**The Humongous Book of Algebra Problems** By W. Michael Kelley

**When the numbers just don't add up...**

Following in the footsteps of the successful *The Humongous Books of Calculus Problems*, bestselling author Michael Kelley has taken a typical algebra workbook, and made notes in the margins, adding missing steps and simplifying concepts and solutions. Students will learn how to interpret and solve problems as they are typically presented in algebra courses—and become prepared to solve those problems that were never discussed in class but always seem to find their way onto exams.

- Annotations throughout the text clarify each problem and fill in missing steps needed to reach the solution, making this book like no other algebra workbook on the market
