Viking Warrior (The Strongbow Saga Book 1) By Judson Roberts

In 9th century Denmark, a child born to a slave is also a slave, and the property of his mother's master. Halfdan, the son of an Irish noblewoman and the Danish chieftain who captured and enslaved her, has grown up a slave in his own father's household. But the Norns, the weavers of the fates of all men, have different plans for him--although rarely do they give a gift without exacting a price. A cruel twist of fate both frees Halfdan and robs him of the mother he loves, setting him upon the path to a new destiny. But a brutal act of treachery and murder upends Halfdan's new life, sending him on the run with ruthless hunters hot on his trail.

The *Strongbow Saga*, an epic tale of one man's unstoppable quest for justice and vengeance told across five volumes (the fifth and final installment to be released in 2016), follows Halfdan's quest for justice and vengeance in a vividly drawn story which immerses the reader in the Viking world, and carries them from the Scandinavian homelands to France, Russia, England, and Ireland, through dangerous journeys and fierce battles, through love lost and found.

The story's setting is not the Viking world you might think you know. The result of almost twenty years of in-depth research, the Strongbow Saga not only weaves a fast-paced story filled with action and emotion, but also paints a detailed and historically accurate picture of the Vikings, revealing a highly developed culture in which honor was valued more than life itself, a society which was based on a strong belief in the sanctity of the law and the right to individual freedom, which had an impact on western history and culture which is seldom understood or appreciated today.

Users Review

From reader reviews:

Joni Griffith:

Book is to be different per grade. Book for children right up until adult are different content. As it is known to us that book is very important normally. The book Viking Warrior (The Strongbow Saga Book 1) had been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide Viking Warrior (The Strongbow Saga Book 1) is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your book. Try to make relationship using the book Viking Warrior (The Strongbow Saga Book 1). You never sense lose out for everything in the event you read some books.

Cheree Kramer:

Here thing why that Viking Warrior (The Strongbow Saga Book 1) are different and dependable to be yours. First of all looking at a book is good nevertheless it depends in the content than it which is the content is as scrumptious as food or not. Viking Warrior (The Strongbow Saga Book 1) giving you information deeper since different ways, you can find any book out there but there is no guide that similar with Viking Warrior (The Strongbow Saga Book 1). It gives you thrill reading journey, its open up your own personal eyes about the thing that happened in the world which is maybe can be happened around you. You can bring everywhere like in area, café, or even in your means home by train. If you are having difficulties in bringing the branded book maybe the form of Viking Warrior (The Strongbow Saga Book 1) in e-book can be your substitute.

Jacob Gray:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider if those information which is inside the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take Viking Warrior (The Strongbow Saga Book 1) as the daily resource information.

Lisa Westra:

What is your hobby? Have you heard this question when you got scholars? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as reading become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You will find good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is niagra Viking Warrior (The Strongbow Saga Book 1).
