All the Bright Places By Jennifer Niven

The beloved *New York Times* bestseller that *Entertainment Weekly* described as “sparkling” and says “get[s] under your skin.” You won’t soon forget this heart-wrenching, unflinching story of love shared, life lived, and two teens who find each other while standing on the edge.

Soon to be a major motion picture starring Elle Fanning!

Theodore Finch is fascinated by death. Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—*something* to keep him here, and alive, and awake.

Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister’s recent death.

When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground— it’s unclear who saves whom. Soon it’s only with Violet that Finch can be himself. And it’s only with Finch that Violet can forget to count away the days and start living them. But as Violet’s world grows, Finch’s begins to shrink. . . .

“A **do-not-miss** for fans of *Eleanor & Park* and *The Fault in Our Stars*, and basically anyone who can breathe.” —*Justine Magazine*

“At the heart—a big one—of *All the Bright Places* lies a **charming love story** about this unlikely and endearing pair of broken teenagers.” —*The New York Times Book Review*

“A **heart-rending**, stylish love story.” —*The Wall Street Journal*

“A complex love story that **will bring all the feels.**” —*Seventeen Magazine*

“**Impressively** layered, lived-in, and **real.**” —*Buzzfeed.com*

## Editorial Review

From School Library Journal

Gr 10 Up—Violet Markey is on the ledge of her school's bell tower, six stories up, and frozen in terror. Theodore Finch, the Freak, stands on the ledge nearby. Before she can panic, he calms her down and gets her back on solid ground. He even lets everyone think she's the one who talked him out of jumping. Violet, until recently, was a popular cheerleader and Finch has a well-earned reputation for being manic, violent, and unpredictable. But Finch won't let their encounter rest. He's suddenly everywhere Violet goes and even signs her up as his partner on a "Wander the State" school project. As the two drive around Indiana, Violet begins to see the lame tourist attractions through Finch's eyes, and each spot becomes something unique and special. He pushes and challenges the protagonist, and seems to understand the effect her sister's death made on her. But though Violet begins to recover from the devastating grief that has cocooned her for almost a year, Finch's demons refuse to let go. The writing in this heartrending novel is fluid, despite the difficult topics, as Niven relays the complex thought processes of the two teens. Finch and Violet, with their emotional turmoil and insecurities, will ring true to teens. Finch in particular will linger in readers' minds long after the last page is turned. Give this to fans of Rainbow Rowell's *Eleanor & Park* (St. Martin's Pr., 2013), John Green's *The Fault in Our Stars* (Dutton, 2012), or Jennifer Hubbard's *The Secret Year* (Viking, 2010).—Heather Miller Cover, Homewood Public Library, AL

Review

“At the heart – a big one – of “All the Bright Places” lies a charming love story about this unlikely and endearing pair of broken teenagers.”

— **New York Times Book Review**

“...this heartbreaking love story about two funny, fragile, and wildly damaged high school kids named Violet and Finch is worth reading. Niven is a skillful storyteller who never patronizes her characters – or her audience.”

— **Entertainment Weekly**

“Many teen novels touch on similar themes, but few do it so memorably.”

—**Kirkus Reviews, starred review**

"In her YA debut, adult author Niven creates a romance so fresh and funny. . . The journey to, through, and past tragedy is romantic and heartbreaking, as characters and readers confront darkness, joy, and the possibilities—and limits—of love in the face of mental illness.”

—**Publishers Weekly, starred review**

“The writing in this heartrending novel is fluid, despite the difficult topics... Finch in particular will linger in readers’ minds long after the last page is turned.”

—**School Library Journal, starred review**

"Ultimately, the book, with narration that alternates between Finch and Violet, becomes Violet’s story of survival and recovery, affirming the value of loving deeply, grieving openly, and carrying your light forward."

—**The Bulletin of the Center for Children's Books**

“Have *The Fault in Our Stars* withdrawal? Pick up this heartrending novel about a girl who vows to live with purpose after bonding with a boy who plans to end his own life.”

— **SELF Magazine**

"It's touching, vibrant, and an impressively honest depiction of depression."

— **BuzzFeed**

**A *Publishers Weekly* Best Book of 2015**

**A *Miami Herald* Best Books for Children 2015**

**GoodReads Choice Awards 2015 Young Adult Fiction Category Winner**
