Editorial Review

Review

Review in the Library Journal Amid the bewildering bounty of Tantra- and Taoist-based sex books, 'Beyond Tantra' stands out as an engagingly simple, friendly, and motivating resource for Westerners. The Wiks are a European couple who turned to Eastern spirituality to reawaken their love life and direct energy toward healing physical problems. First they explain the differences between Tantra and Taoist schools and sources, the disciplines' relationship to Western medicine, and how their own research and practice of Taoist-based "Dual Cultivation" - a couple's conscious use of sexual energy for health and spiritual development - affected their lives. The remainder of the book walks readers through a series of exercises that includes an explanation of the approach, historical references and background, personal stories from the Wiks, and a hands-on presentation of technique: goals, time needed, components/supplies, and description. Sidebars offer sample dialogs and sporadic drawings of an older couple illustrate difficult-to-describe concepts. A concluding chapter reviews related Taoist disciplines. What's not to like? An excellent "Taoist Sex 101" for wary beginners; recommended for all public libraries. - Martha Cornog, Philadelphia

About the Author

Stephan Wik is a Swedish/American musician, acupuncture student and IT professional. He has worked extensively in the field of ecological and sustainable living for the last thirty years. He and his Flemish wife Mieke, a reflexologist and Reiki master, have been married for 27 years and have four grown children. Using Taoist and Tantric Sexual healing and transformation techniques they worked together many years ago to heal Mieke from a serious illness. This encouraged them to research and practically test many of the techniques that, in the West, are now grouped under the heading 'Sacred Sexuality'.

Users Review

From reader reviews:

Junior Price:

The reason why? Because this Beyond Tantra: Healing Through Taoist Sacred Sex is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

Ralph Pettie:

Right now, choose your own personal ways to get more information about your guide. It is most important to arrange yourself to make your knowledge are still change. Let's try to choose proper ways for you.

Gary Lund:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Beyond Tantra: Healing Through Taoist Sacred Sex can make you sense more interested to read.
