Excelling in Law School: A Complete Approach By Jason C. Miller

Written by a recent law school graduate with an extraordinary success story, **Excelling in Law School: A Complete Approach** transcends merely surviving the experience, demonstrating how to earn high grades by working smart, excel in extracurricular activities, publish, and land top jobs. The author aced his first year at a fourth tier law school and transferred to a top-10 school from which he graduated, magna cum laude. Now, he shares his insights and his experience, surpassing expectations set by his less-than-lustrous LSAT scores. Miller relieves some of the anxiety about law school by conveying proven strategies that will appeal to today's tech-savvy law student. He outlines the available resources and study-aids and shows how to effectively use new technologies such as websites that distribute outlines, companies that provide MP3s of detailed lectures on first year courses, student-maintained outline banks, recorded lectures, professor podcasts, and PowerPoint slides. Students learn the specific, unique skills required to approach law reviews and scholarships and to hunt for jobs. **Excelling in Law School: A Complete Approach** observes successful tactics used by other students and guides readers in selecting the strategies and resources that best fit each personality.
