### **Editorial Review**

#### **Review**

"Unrivalled in its scope and ambition, Arnold Hauser's classic study can be placed alongside the writings of Schapiro, Wolfflin, and Panofsky as a critical contribution to the development of the history of art as discipline."

-Alan Wallach, College of William and Mary

"This is an exciting, an irritating, a scholarly and an absolutely indispensable book."

-Art News and Reviews

"Hauser's work repays reading because it was and remains the only comprehensive scholarly synthesis of the history of art from the perspective of historical materialism."

-Whitney Davies
