## The Safest Place on Earth: Where People Connect and Are Forever Changed By Larry Crabb

In today's frenetic society, people rarely develop intimate friendships. Instead, they spend their lives essentially disconnected from others, rushing through life content with brief visits and casual conversations. But what if one were to develop a community, a spiritual community, of people who walked with and supported each other through life's journey? A community of real friends who listened to each other's personal tragedies without merely trying to fix the problems, who encouraged and nurtured each other's strengths, and who accepted people for who they really are, instead of the image they try to portray. In *The Safest Place on Earth*, Larry Crabb explores such a place, where God can heal disconnected people and allow them to reconnect with each other and, ultimately, with Him.
