Note: "This ASIN is only a study guide"

The urgent need for prayer in today's broken world is clear, but business still keeps many of us from finding time to pray. So Bill Hybels offers us his practical, time-tested ideas on slowing down to pray.

In this four-session video Bible study based on Hybels's classic book on prayer, *Too Busy Not to Pray* calls both young and old to make prayer a priority, broadening the vision for what our eternal, powerful God does when his people slow down to pray.

The coordinating *Too Busy Not to Pray Study DVD* (sold separately) leads individuals and small groups through discussion topics, group activities, and in-between-studies assignments.

In *Too Busy Not to Pray*, you and your small group will learn:

- The importance of a consistent time and place for prayer
- How to organize prayers according to tried-and-true frameworks
- How to hear the Spirit's promptings
- To love prayer time

Hybels helps you slow down, listen to God, and learn how to respond. As a result, you will grow closer to God and experience the benefits of spending time with him.
