True Detection By Gary J. Shipley, Edia Connoles, Nicola Masciandaro, Fintan Neylan, Paul J Ennis, Ben Woodard, Niall McCann, Daniel Fitzpatrick, Scott Wilson, Erin K Stapleton, Caoimhe Doyle, Katherine Foyle, Daniel Colucciello Barber, Dominic Fox, Charlie Blake

A collection of philosophical and critical essays on the television series True Detective. "Traditionally, the detective genre deals with the problem of epistemology – how to know something that one doesn't know. There are some things we cannot know, and some things we should not know. Sometimes clues just give way to more clues, and epistemic tedium rules the day. These essays reveal knowledge becoming an enigma to itself, revealing the brilliant futility of the epistemological project." – Eugene Thacker, author of *In The Dust of This Planet* "The television event of the year - I would say many years - is without doubt True Detective. One deserving of forensic, unflinching, and unrelenting philosophical treatment." – Simon Critchley "The most intelligent series in TV history has opened strange crypts for explorers. This excellent essay collection reveals just how far the dark tunnels lead. Let it coax you from the comforts of death and fear, into detection of the guttering nightmare that is life, coldly seen." – Nick Land

CONTENTS

I. Black Stars

- Gary J. Shipley – *Monster at the End: Pessimism's Locked Rooms and Impossible Crimes*
- Edia Connoles – *Contemplating the Crucifixion: Cohle and Divine Gloom*
- Nicola Masciandaro – *I Am Not Supposed To Be Here: Birth and Mystical Detection*

II. Separate From Itself

- Fintan Neylan – *The Labour of the Pessimist: Detecting Expiration's Artifice*
- Paul J. Ennis – *The Atmospheric of Consciousness*
- Ben Woodard – *Nothing Grows in the Right Direction: Scaling the Life of the Negative*

III. There Was A Videotape

- Niall McCann – *True Detective, Jean-Luc Godard and Our Image Culture: 'This May Well be Heaven, this Hell Smells the Same'*
- Daniel Fitzpatrick – *'True Dick' . . . The Accelerated Acceptance and Premature Canonisation of True Detective*

IV. It's Just One Story

- Scott Wilson – *The Nonsense of Detection: Truth Between Science and the Real*
- Erin K. Stapleton – *The Corpse is the Territory: The Body of Dora Kelly Lange in True Detective*
- Caoimhe Doyle & Katherine Foyle – *The Flat Devil Net: Mapping Quantum Narratives in True Detective*

V. And Closure–No, No, No

- Daniel Colucciello Barber – *Affect Has No Story*
- Dominic Fox – *koynltly bigyled*
- Charlie Blake, Daniel Colucciello Barber, Edia Connoles, Paul J. Ennis, Gary J. Shipley – *Bird Trap*

Editorial Review

Users Review

From reader reviews:

Francis Dawson:

With other case, little persons like to read book True Detection. You can choose the best book if you appreciate reading a book. So long as we know about how is important the book True Detection. You can add knowledge and of course you can around the world by a book. Absolutely right, simply because from book you can recognize everything! From your country till foreign or abroad you may be known. About simple matter until wonderful thing you may know that. In this era, you can open a book or searching by internet gadget. It is called e-book. You should use it when you feel uninterested to go to the library. Let's learn.

Dennis Byrd:

Book is actually written, printed, or highlighted for everything. You can learn everything you want by a e-book. Book has a different type. As it is known to us that book is important point to bring us around the world. Close to that you can your reading skill was fluently. A publication True Detection will make you to become smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think in which open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or ideal book with you?

Lucas Florio:

The ability that you get from True Detection will be the more deep you digging the information that hide in the words the more you get enthusiastic about reading it. It does not mean that this book is hard to understand but True Detection giving you excitement feeling of reading. The article author conveys their point in particular way that can be understood by simply anyone who read the item because the author of this guide is well-known enough. This particular book also makes your vocabulary increase well. Making it easy to understand then can go together with you, both in printed or e-book style are available. We recommend you for having that True Detection instantly.

Dolores Rawson:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider any time

those information which is in the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take True Detection as your daily resource information.
