There is something amiss both in and on our oceans! Above the waves, entire ships and their able bodied crews are disappearing without a trace.

Under the sea however, the world's shark population is quickly vanishing before our very eyes. Mako and his sexy team of fellow marine biologists are desperately attempting to stop both!

Will they defeat the vicious PIRANHA, a brutal new villain who has unleashed a horrible and ancient threat against the oceans of the world? It's gonna be a race against time to save the world from this new menace, but Mako's always eager for action of any kind with his team of hotties!
