Orvis Fly-Tying Guide By Tom Rosenbauer

This essential book on fly tying will teach anyone how to tie flies. All the important techniques are illustrated with color photographs, from starting the thread on the hook to whip finishing. The book lays the basic ground work by fully explaining simple tying techniques, and then progresses to detailed tying instructions for some of the most popular, modern patterns. How to choose and prepare the correct material, and all the necessary tying steps for each fly, are detailed in superb, large, color photographs.

Even if you have no previous tying experience, you'll be able to tie dries, nymphs, streamers, saltwater offerings, and bass bugs after just a few sessions with this book. The tier is then advised how to progress to similar patterns using the same basic techniques. Also included is a huge reference of fly patterns--more than four hundred flies from the Orvis catalog are shown in full color, along with their tying recipes and proportions for each one. This book, calling on the Orvis Company's vast resources and teaching experience and written by an author whose name is synonymous with Orvis, is sure to become the bible for fly tyers of all skill levels.

Editorial Review

Review

"One of the finest texts on the craft of fly tying ever written ... should be in the library of every tyer."--Dave Klausmeyer, editor, *Fly Tyer* magazine

From the Back Cover

This essential book on fly tying will teach anyone how to tie flies. All the important techniques are illustrated with color photographs, from starting the thread on the hook to whip finishing. The book lays the basic ground work by fully explaining simple tying techniques, and then progresses to detailed tying instructions for some of the most popular, modern patterns. How to choose and prepare the correct material, and all the necessary tying steps for each fly, are detailed in superb, large, color photographs.

Even if you have no previous tying experience, you'll be able to tie dries, nymphs, streamers, saltwater offerings, and bass bugs after just a few sessions with this book. The tyer is then advised how to progress to similar patterns using the same basic techniques. Also included is a huge reference of fly patterns - more than four hundred flies from the Orvis catalog are shown in full color, along with the tying recipes and proportions for each one. This book, drawing from the Orvis Company's vast resources and teaching experience and written by an author whose name is synonymous with Orvis, has become the bible for fly tyers of all skill levels.

About the Author

TOM ROSENBAUER has been a fly fisher for nearly four decades, and was tying flies commercially at age fourteen. He is the author of numerous books, including *The Orvis Guide to Reading Trout Streams* (page TK), *The Orvis Fly-Fishing Guide* (page TK), *The Orvis Streamside Guide to Trout Foods and Their Imitations* (page TK), and *The Orvis Streamside Guide to Leaders, Knots, and Tippets* (page TK), as well as countless articles for *American Angler*, *Outdoor Life*, *Field & Stream*, and other periodicals. He is a vice president at the Orvis Company in Manchester, Vermont, and lives in nearby Arlington.

Users Review

From reader reviews:

Mark Shanks:

Book is written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A book Orvis Fly-Tying Guide will make you to possibly be smarter. You can feel far more confidence if you can know about everything. But some of you think that will open or reading the book make you bored. It is not make you fun. Why they may be thought like that? Have you trying to find best book or acceptable book with you?

Betty Blake:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this Orvis Fly-Tying Guide.

Jill Weber:

The reason? Because this Orvis Fly-Tying Guide is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book get such as help improving your proficiency and your critical thinking approach. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

Melody Herrera:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many concern for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but also novel and Orvis Fly-Tying Guide or maybe others sources were given information for you. After you know how the truly amazing a book, you feel would like to read more and more. Science publication was created for teacher or maybe students especially. Those textbooks are helping them to increase their knowledge. In some other case, beside science book, any other book likes Orvis Fly-Tying Guide to make your spare time more colorful. Many types of book like here.
