The Keepers of the House By Shirley Ann Grau

The Pulitzer Prize–winning classic about prejudice and long-buried secrets that threaten to destroy a distinguished family in the American South.

The Howland dynasty began after the War of 1812, when a young Tennessee soldier fighting for Andrew Jackson settled in Alabama. Over the next century, the Howlands accumulated a fortune, fought for Secession, helped rebuild the South, and established themselves as one of the most respected families in the state. But that history means little to Abigail Howland.

Though she inherited the Howland manse, her fortunes reverse when her family's mixed-race heritage comes to light and her community—locked in the prejudices of the 1960s—turns its back on her. Faced with such deep-seated prejudice, Abigail is pushed to defend her family at all costs.

Winner of the Pulitzer Prize for fiction, *The Keepers of the House* is an unforgettable story of family, tradition, and racial injustice set against the richly drawn backdrop of the American South.

This ebook features an illustrated biography of Shirley Ann Grau, including rare photos and never-before-seen documents from the author's personal collection.

Editorial Review

Review

"A beautifully written book." —*The Atlantic Monthly*

"Shirley Ann Grau is one of those rare writers who creates a world, draws the reader into it, and makes [the reader] somehow happy there no matter what goes on . . ." —*Newsweek*

"Her best novel." —*Saturday Review*

From the Inside Flap

Winner of the Pulitzer Prize in 1965, *The Keepers of the House* is Shirley Ann Grau's masterwork, a many-layered indictment of racism and rage that is as terrifying as it is wise.

Entrenched on the same land since the early 1800s, the Howlands have, for seven generations, been pillars of their Southern community. Extraordinary family lore has been passed down to Abigail Howland, but not all of it. When shocking facts come to light about her late grandfather William's relationship with Margaret Carmichael, a black housekeeper, the community is outraged, and quickly gathers to vent its fury on Abigail. Alone in the house the Howlands built, she is at once shaken by those who have betrayed her, and determined to punish the town that has persecuted her and her kin.

Morally intricate, graceful and suspenseful, *The Keepers of the House* has become a modern classic.

From the Back Cover

"Each year, I reread three authors--Toni Morrison, Leslie Marmon Silko, and Shirley Ann Grau. No one else writes about the landscape of Louisiana as she does, but also about the landscape of bitter love and family dreams, of sex not as romance but as commerce and experiment and mystery, of people adrift in their lives and people so tethered to their own pieces of earth. **Keepers of the House** is a masterpiece of history and race and the fragile yet tenuous ownership of land and love."

--Susan Straight, author of the National Book Award Finalist **Highwire Moon**

"A beautifully written book." --*Atlantic Monthly*

"Her best novel." --*Saturday Review*

"Shirley Ann Grau is one of those rare writers who creates a world, draws the reader into it, and makes him somehow happy there no matter what goes on....Such is her beguilement that one comes to the novel's end with a sense of loss and leaves that world with reluctance." --*Newsweek*
